

Towards **Renewing** the Church through the Power of the Gospel

The Church of Saint-Jean-Longueuil celebrates its seventieth anniversary this year. Since 1933, we have been trying to respond to Christ's call to make disciples and bear witness to the Gospel in the midst of the world.

The challenges we face today are different from those we faced when we were founded. That's why, over the past two years, in conjunction with the Senior Diocesan Team, I have invited all our Diocesan faithful to take part in a synodal process to better identify the issues, the human realities and the concerns experienced by people in the Diocese that should be the priority focus of our pastoral care. We are reaching a crucial stage in this journey, when, after consulting and listening to nearly 3,000 people in various activities, we will commence a time of discernment in order to put all our efforts at the service of the Gospel and the people of the Diocese.

Drawing on our past, but confident in the future, our Diocese is stubbornly committed to the will of Christ to bring about a better world today. Your donations will help us to fulfill this mission: may I thank you in advance for your contribution to this fundraising campaign.
