

PREVENTIVE MEASURES AGAINST THE RISK OF COVID-19

Guidelines and procedures

June 10, 2021¹

REMINDER OF MEASURES STILL IN FORCE

We remind communities that, even in the yellow and green alert levels, protective measures remain in effect. Here is a list of these measures:

Level 1—Vigilance (green)

Level 2—Early Warning (yellow)

- Maximum of 250 participants in a place of worship. Attendance register is not required.
- A minimum distance of two metres is maintained between persons in the place of worship, even when they remain in their seats and do not move about, unless they are occupants of the same private residence or its equivalent.
- Wearing a face covering or a procedural mask.
- A face covering or procedural mask may be removed when the person is in his or her seat, is silent or speaks only in a low voice and for receiving communion.
- Maximum of 50 people for funerals and weddings, with mandatory attendance register.

All levels

- The use of a choral ensemble under any circumstances, or the singing of a song by participants, is strictly prohibited. If necessary, one or two singers will intervene at a distance of more than two meters between them and between them and the public.

¹ These measures either are in addition to, or clarify those already in force in the diocese.
